

Amor Ministries is a well-established nonprofit organization that has been building homes in Mexico for over 35 years. They work with groups to guide and mentor them through the building process. They will assist us with crossing the border in Tijuana, attaining medical care as needed, and guiding us through the building process.

COST

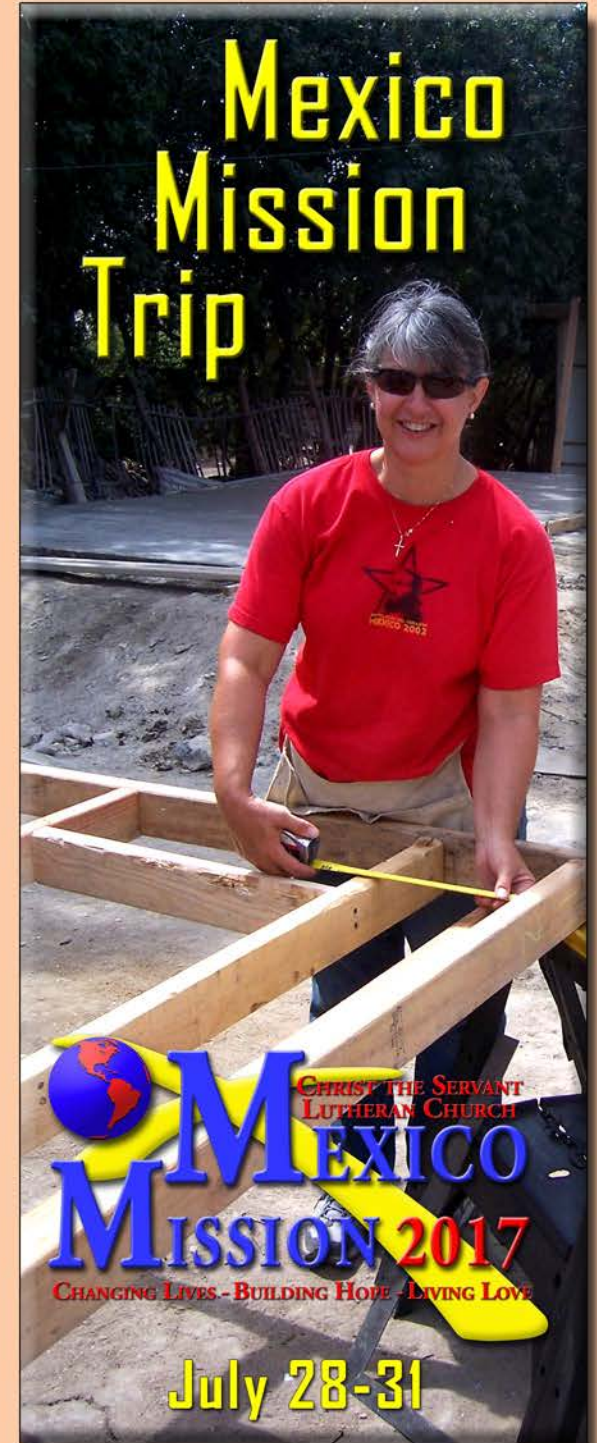

The cost of the Mexico Mission Trip is \$485 per person. This amount pays for your transportation, food, and the amount given to Amor Ministries for the campsite and building supplies. We also seek donations for scholarship assistance.

A \$75 deposit is necessary to reserve your spot. If you would like to serve on this mission trip but cannot afford the cost, please speak to Pastor Diane about a scholarship.

OVERVIEW

The trip begins Friday as we load into vans to drive to San Diego. From there, Amor Ministries transports us to Mexico. We will settle into camp before going to work. For the next three days we will be building simple homes from the ground up with basic hand tools. This year, the foundation is poured before we get there!

We will interact with the families we serve, and share the Good News of God's love in a vital way.

On Monday evening we will return to Las Vegas, with thankful hearts for what God has helped us accomplish.

Throughout the weekend we will share in leading in various ways at the campsite and the worksite.

Each morning at the worksite we will begin with prayer. When we return to the campsite in the afternoon, we will enjoy camp showers, free time, and dinner.

Each evening we will gather for devotions around the campfire.
